

## SIDEKICKS REGISTRATION

At the 2016 National Junior Shorthorn Show and Youth Conference we are excited to again offer a program for the Shorthorn Sidekicks that will build enthusiasm for cattle and engage your child in learning.

We will be having a Learning Corral and a Sidekick Roundup. For the roundup each child will be provided with a stick cow and a bandana which they will keep once the week is done. Sidekicks will meet Sunday and Monday afternoon at 1:30 p.m., we will have our youth wranglers take the children on a roundup on their stick cows through the barns to meet youth from around the states and learn more about the Shorthorn breed.

Please fill out this form to register by **June 17, 2016** so we can ensure to have enough stick cows for all who want to participate as supplies may be limited. Forms can be emailed to [abbey@shorthorn.org](mailto:abbey@shorthorn.org) or faxed to 816-599-7782.
